

## Year 6 Spring Term 1

### Learning Experience Key vocabulary

As part of our learning experience this half term, we will be focussing on learning, understanding and using the following key vocabulary. Some of these words we may have come across before, so this is an opportunity for us to revisit and consolidate our prior learning and some will be new, to further develop our subject specific vocabulary. If you have any questions about the vocabulary, please do not hesitate to speak to your child's class teacher.

#### Science

**Climate** is what the weather is usually like in a place over a long time.

**Trends** are patterns that show how something is changing over time.

**Greenhouse Gases**

**Greenhouse gases** are gases in the air that trap heat around Earth, like a blanket.

**Global Warming**

**Global warming** is when Earth slowly gets warmer because too much heat is trapped in the air.

#### Geography

**Latitude**

**Latitude** tells us how far **north or south** a place is on Earth.

**Longitude**

**Longitude** tells us how far **east or west** a place is on Earth.

**Greenwich Mean Time**

**GMT** is the main clock time that the whole world uses to set their own times.
