

Welcome to Year 4

My new teacher is Mrs Wilcox

My new classroom is at the end of the corridor in Key Stage 2.

A little bit about Mrs Wilcox

Hello Elgar class! I am very excited to get to know you all in September. I enjoy lots of sports including squash and tennis and love playing football at break and lunch times. When I want to relax, I enjoy reading (particularly Harry Potter), walking around the South Downs and gardening. I love visiting new places and my most recent trip was to Costa Rica where I got to see wild sloths! I can't wait to hear all about your hobbies and interests!

My new class is called
4 Elgar.

Edward Elgar

Our class is named after Edward Elgar. He was a British composer who was born in 1857 and died in 1934. He was mostly self-taught and conducted in many orchestras around the world. He could also play many instruments such as the piano, organ and violin. I wonder if you can play any instruments?
