

## Year 3 Autumn Term 2

### Learning Experience Key vocabulary

As part of our learning experience this half term, for the subjects that are in focus as part of the connected curriculum, we will be focussing on learning, understanding and using the following key vocabulary. Some of these words we may have come across before, so this is an opportunity for us to revisit and consolidate our prior learning and some will be new to further develop our subject specific vocabulary. If you have any questions about the vocabulary, please do not hesitate to speak to your child's class teacher.

#### Science

push

pull

twist

magnet

investigation

friction

**Push-** When you use force to move something away from you.

**Pull** – when you use force to bring something closer to you.

**Twist** – when you move something around using your hands

**Friction-** A force that happens when two things rub together

**Magnet** – An object that can pull certain things, like metal, towards it.

**Investigation** – Looking closely at something to find out more about it.

#### History
