Key reminder

We appreciate that school uniform can be very expensive therefore to support you with taking care of their belongings, please ensure all items are labelled **with their name.**

Please ensure your child brings the following to school each day.

Each day please bring:

- Weather appropriate clothing e.g a coat now the weather is changing.
- Water bottle – children should only be bringing water to school
- Lunch box (if having packed lunch)
- Book Bag or a suitable bag to carry their belongings

Safeguarding team

THE DESIGNATED SAFEGUARDING LEAD (DSL)

The Designated Safeguarding Lead in this school is

Mrs Claire Spencer

The Deputy Designated Safeguarding Leads in this school are:

Miss Rosie Loftus

Mrs Sarah Brewer

Miss Helen Piper

Link Governor: Jason Brooks, email: jbrooks@partnersinlearning.co.uk

If you have any serious concerns, about your child or any other pupil at Halsford Park Primary School, please do not hesitate to contact the Designated Safeguarding Lead who will be able to provide you with the best advice and help using the appropriate degree of confidentiality.

You can do this by contacting the school office on 01342 324643 or emailing: dslhalsford@partnersinlearning.co.uk

If school is closed and you think a child is in immediate danger, you should call 999.

E safety – How you can support your child at home.

STAY JUST FINE ONLINE...

quick tips for parents for keeping kids safe online

1. Chat about it

Talking openly about why keeping safe online is important as well as talking about any risks. It can help to show an interest in what your child or teenager does with their time online. Are they talented at TikToks or Insta influencers? Finding out will help you know what they're using online and help you protect them from any dangers and create an open conversation.

2. Set up parental controls

Internet providers should offer you the option of setting some parental controls over what your child can access online. It can help to prevent age inappropriate content from being shown. The **UK Safer Internet Centre** has advice on how to set these up plus plenty of other advice too www.saferinternet.org.uk

3. Stay in the know

We know digital and online platforms change all the time especially social media, it can be difficult to keep up with the latest social trends and apps. By staying ahead of any social media trends you can talk to your child about any possible dangers to look out for. Check out www.net-aware.org.uk for information on the latest apps, social networks and online games.

4. Digital detox

Children (and even adults!) are now spending even more time online as part of doing their school work at home plus using social media or online games. Too much screen time isn't always best. One way to help limit screen time is to agree times with your kids when they won't be going online and encourage them to do other activities instead.

5. Report concerns

If you're concerned about something you've seen or your child has seen online, know where and how to report it. You can report it to the police via the **Child Exploitation and Online Protection Centre** www.ceop.police.uk

Family School Agreement

Child's Agreement

I will try my best to:

Compassion

-show care and understanding for everyone

- Be kind and caring to everyone in my school.
- Help others feel safe, happy and included.
- Look after my classroom, school, and the environment.

Responsibility

-make good choices because your actions matter

- Come to school every day, on time, and ready to learn.
- Listen carefully, try my hardest, and never give up.
- Make good choices and think about how my actions affect others.
- Take care of my belongings and the things I use at school.
- Follow the school rules and understand why they are important.

Respect

-value everyone and everything in how you listen, speak and in what you do

- Treat everyone kindly and not judge, no matter how different they are from me.
- Be polite, helpful, and listen to adults and other children.
- Take turns, share, and work well with others.

Courage

-be brave; believe you can

- Have a go, even when something feels tricky or new.
- Believe in myself and keep trying, even if I make mistakes.
- Try my best to learn new things and do what's right, even when it's hard.
- Take part in new activities and enjoy the challenges at school.

End of day arrangements –

Families are welcome to stay on site to use the playground and Trim Trail equipment. We ask that children are supervised by the adult that has collected them. As we have clubs on, for safeguarding purposes, we are not able to allow children/adults back into school once they have been dismissed and that everyone is off site safely by 4.15pm.

This year we have introduced a Google Form to ensure we have the most up to date collection information for Years 1-4. If your child is in Year 5 or Year 6 you would have already provided this information on the “Permission to walk home” form. We ask that this is complete for each child within the school. If this changes at any time in the year, please notify the school office and we will update our records centrally.

What to do if they are going with someone different?

Please ensure you have informed the school office by email or telephone if arrangements have changed during the day and if they are being collected by someone different e.g going home with a friend or relative.

If this is a standing arrangement e.g they attend a club or Granny will always collect on a Friday, then please indicate this on the Google Form.

We are here to help...

- If your circumstances have changed over the Summer break, please come and speak to a member of staff in confidence.
- It may be that you now qualify for Free school meals and 'Pupil Premium Funding' which means the school will receive additional funds and we can provide extra help and support for your child at school.
- More information for applying can be found here:
<https://www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/free-school-meals/#how-to-apply>
- Please speak to a member of staff if you would like any help.

Is my child eligible?

Free school meals in all West Sussex maintained and free schools and academies are available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- [Universal Credit](#) (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)

Attendance & Lateness

Please note that the gates will close at 8.45am and children must be in promptly to be registered or will be marked as late.

EVERY day at school counts			
This table of information shows you how important it is that all children have good attendance to make sure they don't miss any vital learning.			
365 days in each year	Every School Day Counts!		
	175 Non-School Days a Year – i.e. Weekends & School Holidays		
	190 school days in each year		
	190 school days in each year	11-19 days absence	19+ days absence
	190 - 180 days of education	179 - 171 days of education	Less than 171 days of education
	100% - 95% attendance	94% - 90% attendance	Less than 90% attendance
	GOOD Best chance of success – gets your child off to a flying start	WORRYING Less chance of success Makes it harder to make progress. Action may be taken	SERIOUS CONCERN Persistent absence will affect your child's progress Action will be taken

The Government states that:

Attendance is mandatory. The usual rules on attendance continue to apply, including:

Parents' duty to ensure that their child of compulsory school age attends regularly at the school where the child is a registered pupil.

Schools' responsibilities to record attendance and follow up absence.

The ability to issue sanctions, including fixed penalty notices, in line with local authorities' codes of conduct.

The duty on local authorities to put in place arrangements for identifying, and to follow up with, children missing education.

Please note that as a school we do not authorise holidays in term time. We only authorise absence if they are exceptional circumstances. Please see our attendance policy on the school website for further details.

End of year expectations – Information available on school website (Curriculum)

See the curriculum area on our website - <https://halsfordparkprimaryschool.co.uk/curriculum/>

This area outlines what we teach in Early Years and each National curriculum subject for Years 1-6, as well as giving a whole school overview for learning experiences.

Each National Curriculum subject has its own page and is broken down to show what will be covered in the year and the key skills for the year group.

For the core subjects (Reading, Writing, Maths and Science) this is shown through our achievement statements - see example taken from Year 1.

For the foundation subjects in the National Curriculum, this will show how this progresses through each year group:

Year 1
Foundational Achievement Statements Learners Can:
Sit at a table and hold a pencil correctly (ELG 4)
Write some lower case letters the way shown (ELG 4)
Write from left to right (ELG 10)
Show knowledge of which letters are formed in the same way (e.g. a,c,d,g,o,q)
Write capital letters (ELG 12, 23)

Ongoing assessment and gaps in learning

We will continue to use ongoing assessments over the year to identify the gaps in children's learning.

We will then be planning and adjusting our teaching to address these. We may also use specific intervention groups to address gaps in children's learning. If your child is attending a regular intervention group, we will inform parents/carers and advise of any support that may also be given at home.

Family Learning Conference meeting in the Autumn term will take place face to face, where specific targets will be set for individual learners. These will take place W/B 3rd November.

Curriculum – The next step in our journey

Spelling – We will send the spellings for the half term. They'll split week by week. These will be tested on a Friday – however, some weeks we might do this differently and instead of a test, they will be done through writing activities to ensure they are embedded. The children are divided into Yellow and Purple.

Reading – The children will be heard read by an adult at least once a week. They will have a dedicated reading lessons three times a week. We are using the Vocabulary, Inference, Prediction, Explain, Retrieve and Sequence (VIPERS), with a specific focus within our sessions.

Writing – handwriting activities throughout the week which are linked to our weekly spellings.

Maths – We will continue using three levels of challenge during our maths lessons. We are still using RocksStars to work on multiplication – please keep using this at home.

Home and school reading diary expectations

Once again all year groups will be using the same reading record. We will need to be in school every day so teachers are able to see and discuss with learners what they have been reading outside of school.

We would like parents/learners to record what they have been reading and any comments on their comprehension each time they read at home. It is important to write this in their diary as we use this to inform our assessment of your child's reading. Key reading expectations are available on the school website.

We will be collecting these in during the week to see what the children have been reading at home in the past week and will sign to acknowledge it has been seen by a member of staff.

Please contact your child's class teacher if you are unsure of their login details.

Homework Expectations

Area of learning	When?	Parents/Carers	School/teacher
Reading	5 times a week (20 min a day)	Write in reading diary	Will look and discuss book choices with learners. Will check reading diaries on a Friday.
Spelling Years 5	At the beginning of the half term, we will send out spelling patterns to be learnt and tested every Friday.	Support your child in practising	We test spellings in Year 5
English	Set every Friday, due the following Friday.	Support your child with the activity that has been set.	This will be either peer, self or teacher assessed on a Friday

Volunteering

There are many ways that you can get involved with the Haslford Park School and wider Community!

If you would be interested in becoming a parent/carers volunteer to hear readers or help out with Outdoor Learning, please have a look on our school website for further information of pop into the school office.

<https://www.halsfordparkprimaryschool.co.uk/page/?title=Guidelines+for+Volunteers&pid=116>

Guidelines for Volunteers

How to become a volunteer at Halsford Park

We are always looking for members of our school community to come and volunteer at school to help our children.

Volunteering is a great way to give back to the local community and we have seen the benefits of having volunteers coming into school to help with reading, gardening etc. It can also be a great way to gain experience of working with children if this is a career you are considering.

Most of our volunteers currently work to support children with reading, however, if you have a passion for outdoor learning and gardening, and you are free on a Friday afternoon, then helping out with outdoor learning may be for you!

Our amazing PTA are always looking for new members and volunteers. If you want to officially join or would just be willing to help at the next event, please contact the PTA via - halsford.pta@gmail.com

Or look on our school website - <https://www.halsfordparkprimaryschool.co.uk/page/?title=Halsford+Park+PTA&pid=141>

Parent Forum

Each half term we run a Parent forum for all members of our school community. Everyone is welcome!

The next meeting is Tuesday 30th September at 9.00am in the Learning Lab.

If you have a concern about your child's progress or emotional wellbeing and would like extra support, talk to the class teacher in the first instance. They may refer to the SAFS team -

More information is on the school website :

<https://www.halsfordparkprimaryschool.co.uk/page/?title=Inclusion&pid=82>

What to do if you encounter a problem?

Always, in the first instance, speak to your child's class teacher. They know your child best and will do everything in their power to ensure that your child is happy with all aspects of School life. It is best to arrange to speak to them after school.

If you feel the problem isn't resolved, please contact our Deputy Head teacher, Miss Loftus who will do her best to resolve the issue for you.

Following this, if there still doesn't seem to be a resolution, please ask the office to book a telephone appointment with Mrs Spencer.

Any questions?

PLEASE ADD AS THESE COME THROUGH TO THE OFFICE
