

## Year 2 Autumn Term 1

### Learning Experience Key vocabulary

As part of our learning experience this half term, for the subjects that are in focus as part of the connected curriculum, we will be focussing on learning, understanding and using the following key vocabulary. Some of these words we may have come across before, so this is an opportunity for us to revisit and consolidate our prior learning and some will be new to further develop our subject specific vocabulary. If you have any questions about the vocabulary, please do not hesitate to speak to your child's class teacher.
