

Welcome to Year 4!

My new teacher is Mrs Newell and our class will be known as 4 Elton.

Our new classroom is at the end of the KS2 corridor.

A little bit about Mrs Newell

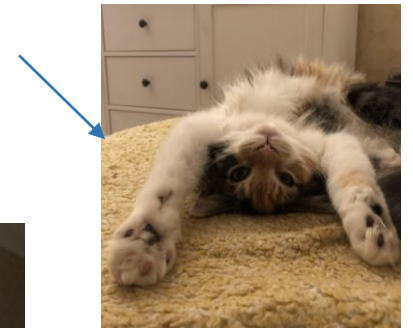

Hello, Elton class! I am really excited to teach you in Year 4 and I can't wait to get to know you all. I'm sure that we are going to have a blast, filled with lots of fun and exciting new learning.

Here is a little bit more information about me. I love to spend time with my family and friends. I have two cats called Bombo and Peaches. Peaches loves to roll over for belly rubs and Bombo loves treats. I love everything creative and enjoy painting pictures and making pottery. I have started a new hobby recently which is crochet. You may spot a few crochet animals and creatures around your new classroom in September. My favourite food is Mexican, I really enjoy cooking this at home. Traveling is something I love to do. I have been lucky to have visited lots of new places such as New York, Mexico, Croatia, Cyprus, Amsterdam and Bali. I am so excited to hear about all the things you love doing!

Our class is named after Sir Elton John, one of the most highly acclaimed and successful solo artists of all time. During his career he has written and composed many songs and I look forward to listening to some of them with you!
