Learning & Life Skills

Learning together

How we work together as a group and what it means to be a good member of a social group.

PSHE

Friendship conflicts versus bullying.
Effective communication.

Science

Electricity:

- Creating circuits using bulbs and batteries.
- Electrical conductors and insulators.
- Investigating magnets and magnetic materials.
- Electrical safety.

Maths

- Identify, represent and estimate numbers using different representations.
- Find 10 or 100 more or less than a given number.
- Recognise the place value of each digit in a three-digit number.
- Compare and order numbers up to 1,000.
- Read and write numbers up to 1,000 in numerals and in words.

Halsford Park Year 3 - Autumn Term 1

Bright Sparks

How does electricity work?

Stunning Start

Investigation afternoon - Can you make a circuit?

Fabulous Finish

Creating dragon caves with working lights, switches and buzzers.

Music Charanga Music

Unit 1 - Developing notation skills

Question - **How Does Music Bring Us Closer Together?**

History

- Homes before electricity.
- Famous Inventors (Edison & Tesla).

French - J'apprends le français (I am learning French)

We will be beginning to learn French in Y3 using words to say hello and hold a simple conversation.

Outdoor Learning opportunities

- Place value learning outside.
- Art using nature resources

Religious Education

Hinduism

Belonging, the Individual, family and community.

What do Hindus believe about God?

What do the different Gods and Goddesses represent to Hindus?

Computing

- Learning how to touch type
- E-safety

Art

Drawing a dragon using sketching skills.

D&T

Simple Circuits & Switches

Create a cave for their dragon with working light.
