

Year 6 Summer Term 2

Learning Experience Key vocabulary

As part of our learning experience this half term, for the subjects that are in focus as part of the connected curriculum, we will be focussing on learning, understanding and using the following key vocabulary. Some of these words we may have come across before, so this is an opportunity for us to revisit and consolidate our prior learning and some will be new to further develop our subject specific vocabulary. If you have any questions about the vocabulary, please do not hesitate to speak to your child's class teacher.

Design & Technology

Purpose - the reason for which something is done or created.

Design Criteria - the explicit goals that a project must achieve in order to be successful.

Product - an item that is manufactured for sale.

Computing

Unit 6.3 – Spreadsheets

Columns - a vertical division of a page or text.

Data - facts and statistics collected together.

Formula - a cell entry that performs a calculation and displays the result.

Science

Light and Reflection

Light ray: A straight line that shows the path that light travels.

Reflective: Able to bounce light back from a surface.

Line of best fit: A line drawn on a graph that shows the overall pattern or trend of the data points.

Anomaly: A result that does not fit the pattern of the other results and may be unusual or incorrect.
