

Moving to Year 6

Welcome to Franklin Class.

My teacher will be Mr Busse and our class will be known as 6 Franklin.

My new classroom is upstairs at the end of the corridor.

A little bit about Mr Busse

I am thrilled to be your new teacher and I can't wait to get started on some great learning in September (my favourite subjects are Maths and P.E).

We have so much to do and it promises to be a fantastic journey.

Here is a little bit of information about me: I enjoy playing a range of sports such as football, squash and golf to an inconsistent standard. I like to listen to a lot of podcasts about health and fitness, comedy and sport. I hope you have a wonderful Summer.

Our class is named after Rosalind Franklin. She was a British scientist and made important contributions to the discovery of the structure of DNA.
