1. Aims

Our SEND policy aims to:

- Set out how our school will support and make provision for pupils with special educational needs and disabilities (SEND)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND (unless otherwise stated, all references to SEND include pupils with disabilities)

At Halsford Park our aims underpin the above principles, as we want all children to have positive attitudes towards learning, to fulfil their own potential in a creative and satisfying way.

We seek to meet individual needs and will work closely with parents and the Local Authority to achieve this.

A graduated approach is followed at our schools to help children who have SEND. We recognise that there is a continuum of need and where necessary we seek outside agency support to help children with difficulties they may be experiencing.

2. Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

[Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND and disabilities

[The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND co-ordinators (SENCOs) and the SEND information report

3. Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of the others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.
