

How will I join a meeting/lesson with my class?

Login to Google Classroom using your username and password. If you do not know these or have forgotten these, contact your class teacher who will be able to help.

Please do not attempt to join before the time that the meeting is due to start as .

Go to your calendar. To access your calendar click on the waffle in the top right corner.

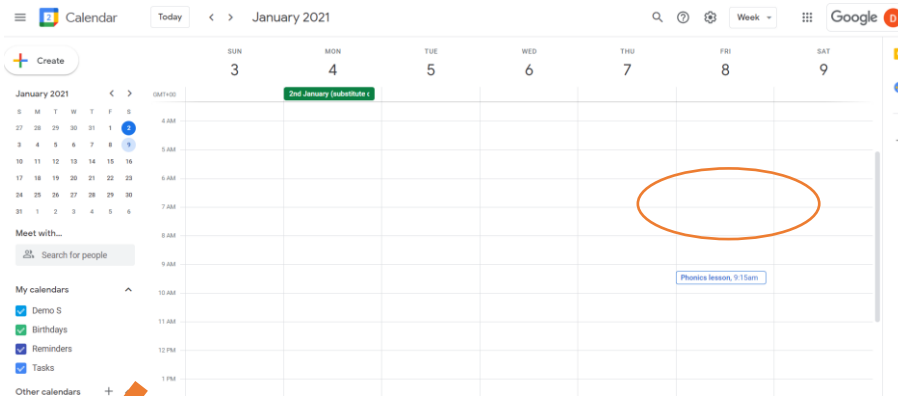

Then click on the 'Calendar' icon.

Calendar

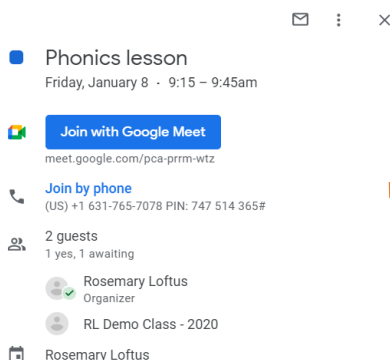

This will open your calendar. You will then be able to see which meetings/lessons have been scheduled for your class. **Please note that you will not see the lesson until you have been invited, following your return of the Remote Learning Agreement Google Form.**

Click on the meeting, then, click on 'Join with Google Meet'.

Next, click on 'Join now' and this will take you into the meeting/lesson with your class.
