14th March 2025

Dear Parents and Carers,

Celebration of Learning Thursday 27th March 2025

Our Celebration of Learning will be on Thursday 27th March and will be held in two sessions so that if you cannot make the morning; you can pop along after school instead (which is often quieter). **The time slots will be 8:35am - 9:00am or 3:10pm – 3:35pm (3.15pm for KS2)**

When the children come into school in the morning, or at pick-up time, you may come into class with your child and look at their learning. Please first sign in on the sheet at the front of the classroom.

We hold Celebration of Learnings to give you an opportunity to come into class with your child and celebrate their learning. Your child can then spend time with you talking about the things they have been learning and they can show you the pieces of work that they are most proud of in their books and/or around the classroom. There will be a feedback sheet for you to complete with your child, which can then be handed to the class teacher. The morning session finishes at 9:00am because we have assemblies and key learning to get on with, therefore if you have more than one child, you may want to pop in both the am and pm sessions. At the end of the day, you may need to allow the class teacher to dismiss some of their children before entering the classroom to avoid crowding at the door.

If this date does not suit you, please speak to the class teacher to arrange a convenient time after school for you to look at your children's work.

Please note that this session would not be the appropriate time to consult with the teacher on specific issues or concerns regarding your child, but please do not hesitate to make a separate appointment with them if you feel it is necessary.

We look forward to seeing you then.

With kind regards

Claire Spencer- Headteacher
