“Wacky Races” Design and Technology Project

Dear Parents / Guardians,

This half term, as part of our experience “Wacky Races”, the children will be designing and constructing their own vehicle. The children will be using recycled resources to help build their vehicle. To help facilitate this, we would like each child to bring in two recycled boxes, no bigger than a cereal box. Please ensure that the contents of the boxes have not contained nuts or cleaning products.

Please can the children bring their boxes in during the week of the 2<sup>nd</sup> February.

If you have any questions, please do not hesitate to speak to your child’s class teacher.

Many thanks for your support as always,

The Year 2 Team
