Dear Parents and Carers,

E-Safety Parent Workshop – Tuesday 26th November 2024

At Halsford Park, we endeavour for all our pupils to safely use the Internet in an ever-increasing 'digital world'. We would like to invite all parents/ carers to take part in a workshop which will cover the two main aims below:

- **To provide information on content and coverage of our E-Safety and Computing curriculum**
- **To support parents/carers with keeping children safe online**

The workshop will run on **Tuesday 26th November from 5:30-6:30pm** in the Key Stage 2 hall. Although children should not be present due to sensitive content, Miss Loftus has very kindly offered to run a 'Film Club' during this time if you are unable to arrange alternative childcare. Please indicate on the Google Form below if you will be bringing your child(ren) for Film Club. Please note, we will only be able to have children who currently attend Halsford Park at Film Club.

This workshop will aim to inform you of the latest knowledge and skills to help keep your child safe whilst they are online. If you would like to attend the E-safety workshop, please indicate on the Google form- <https://forms.gle/2rhXQDwU2hUuyxV18> . Please also add any questions you would like to ask during the workshop by **Monday 25th November** so they can be added to the presentation.

Thank you for your continued support.

Yours sincerely,

Mrs Wilcox
Computing Champion
