

Halsford Park School and Family Agreement:

This is our School and Family Agreement, which we have taken time to explain to your child.

At Halsford Park, we place great importance on the partnership between home and school. While the school is accountable for providing a high-quality education, parents and carers also play a vital role in supporting their child's learning journey. By working together in a positive and supportive way, we can ensure your child gets the very best from their education.

We kindly ask that you review this agreement with your child, then complete and sign the accompanying Google Form to confirm that you have read and understood it together. Please complete the online form as soon as possible.

Signing this agreement sends a clear and powerful message to your child: that home and school are united in helping them succeed. It reflects our shared commitment to building an inclusive, respectful partnership between school and home. It reflects the core values of **compassion, responsibility, respect, and courage**, and shows that children are supported to thrive in an environment where diversity is celebrated and every family feels welcomed and valued. The agreement supports your child in making the most of their time at Halsford Park — empowering them to *soar to success*.
