

Dear Parents and Carers,

2nd September 2026

School and Family Agreement 2026-2027

At Halsford Park, we place great importance on the partnership between home and school. While the school is accountable for providing a high-quality education, we also recognise that parents and carers play a vital role in supporting their child's learning journey. When home and school work together in a positive and supportive way, children thrive — both academically and personally.

To strengthen this essential partnership, we have introduced a **School and Family Agreement**. This document outlines the shared expectations and commitments between school, families, and pupils. Its purpose is to ensure a consistent, collaborative approach that supports every child in reaching their full potential.

We're proud to share that this agreement was written in consultation with pupils (our A Team), parents (Parent Forum), staff, and governors. It reflects a broad range of voices across our school community and the values we all hold dear.

We kindly ask that you take a few moments to review this agreement with your child. Once you have read and discussed it together, please complete and sign the accompanying **Google Form** to confirm that you both understand and accept its contents. We would appreciate it if this could be completed as soon as possible. <https://forms.gle/n4jppvV583KGYNdD6>

Physical copies of the School and Family Agreement will be handed out during our 'Welcome to Your Year Group' meetings today. For your convenience, both the EY (Early Years) and KS1 (Key Stage 1) versions of the agreement are also available on our school website.

By signing this agreement, you are sending a clear and powerful message to your child: that home and school are united in helping them succeed. It reflects our shared commitment to building an inclusive, respectful partnership, and demonstrates the core values we hold dear at Halsford Park — **compassion, responsibility, respect, and courage**.

Above all, this agreement supports your child in making the most of their time at Halsford Park. It shows that they are surrounded by adults who believe in them, who value their individuality, and who are committed to helping them soar to success in a nurturing, respectful environment where every family is welcomed and celebrated.

Thank you, as always, for your continued support.

Kind regards,

Claire Spencer
Headteacher
