Dear Parents and Carers,

Over the coming weeks the Early Years children will be taking part in the Bikeability 'Get Cycling in Schools' programme.

We have received training and have been given 6 balance bikes and helmets to use in school to help all children learn the basic skills of riding a bike. We will be taking the children within the school grounds to work in small groups to learn about bike and helmet safety, as well as fun games to practice the skills needed to ride a bike safely. If your child can already ride a bike, they can still take part in this programme as they will learn the safety around riding a bike.

Please click on the Google link below to indicate if you give permission for your child to take part in the 'Get Cycling' lessons. Please complete the form by **Friday 30<sup>th</sup> January**.
