28th January 2025

Dear Parents and Carers,

As you may be aware, our next Experience, starting a couple of weeks after the start of next half term, will have a focus on Music and the Arts.

For the last couple of years we have been very grateful to those adults who came in and shared wonderful musical experiences with the children, as well as children within our school community who have shown such courage and played their instruments to the rest of the school. It was much appreciated by pupils and staff alike. We are aiming once again to arrange as many musical experiences as possible during the half term and are hoping that you might be able to help us to provide the best possible experience for the children in the following ways:

- If your child has music lessons outside of school, we wondered if their teacher would be happy to come into school to perform to us, either in individual classes or in Key Stage assemblies and we would be grateful if you would let us know their contact details if they are willing to do this - no pressure of course.
- If you play a musical instrument yourself, it would be lovely if you would be able to come and talk about and/or play, either in individual classes or in Key Stage assemblies. Please let us know if you are happy to participate in this way. Again, no pressure of course.

As already mentioned, we were so proud of children who have brought instruments in to bravely share with us, and we are hoping the children will do so again this year.

If you are able to help in any way, please email the school office at officehp@partnersinlearning.co.uk

Here's to a wonderful music filled learning Experience!

Thank you as always for your support.

Kind regards

Mrs Regan- Year 3 class teacher
Music champion
