19<sup>th</sup> January 2026

Dear parents and carers,

### **EYFS Read Write Inc Phonics Update**

As you know Early Years moved over to Read Write Inc for our phonics sessions at the beginning of the year. The children are now taught in small groups, which allow us to target them at their individual learning point.

To enable us to provide personalised home learning for each Phonics group, we are going to set up Phonics groups on Google Classroom. **You will need to make sure you are logged in under your child's own personal log on.**

#### **What will happen next?**

We will communicate with you which group your child is via Google Classroom.

We will be setting up your child's group on Google Classroom. This will be used to share key updates including which sounds they have been working on as well as videos for you to help your child practise at home. Please join the class once invited on Google Classroom. If you are unsure how to do this, speak to Mrs Scanlan or Mrs Goodwin

We will be updating our school website and sharing key information videos from Read Write Inc with parents via Google Classroom and the Newsletter.

If you missed the phonics workshop in the Autumn term we will be running one later in the Spring Term, which you are welcome to attend. It will be focusing on the principles of Read Write Inc, the key changes and what this looks like in school for your child. More details to follow.

Many thanks for your continued support

Mrs Scanlan  
Early Reading Lead
