THE NEXT BIG THING!

After the successful installation of the new KS1 Trim trail, our attention has turned to another exciting big project!

The Friends of Halsford Park will now be looking to raise the funds for a makeover of the Learning Labyrinth!

This space, which is used by the entire school as well as Pioneer Childcare, is looking a little tired, so plans have been drawn up for a refresh, with new bookshelves, computer and media area and comfy seating.

While the budget for this project is still TBC, every year we aim to raise about £8000 for committed resources and activities. This includes Phonics and SATS resources, subsidizes class trips, whole school first aid training, in-school crafts and a fun Pantomime just before Christmas!

Everything we can raise in addition will go towards the shiny new Learning Labyrinth!

THE 200 CLUB

Our School Lottery - from £2 a month you are in with a chance of winning the monthly cash prize! Half of the "pot" goes to the PTA and half to the monthly winner! To Sign up <https://tinyurl.com/HPClub200>
