

## AFTER SCHOOL FOOTBALL CLUB

D & D Footie Focus are pleased to announce we will be re-starting the after school football club at Halsford Park Primary school from Tuesday 7<sup>th</sup> September. The sessions will run continually throughout term time, weather permitting. We are an outdoor club at the moment so if the weather is too bad we will have to cancel the class.

It is open to boys and girls of all levels and abilities. Our class runs straight after school and lasts 1 hour. You will collect your child from the main gate by school office. Parents are not permitted to stay and watch and please ask to continue to follow guidelines on collection.

KS1 (INC) EARLY YEARS EVERY TUESDAY, COLLECTION 4:30PM

KS2 EVERY FRIDAY COLLECTION 4:30PM

**The cost of the club is £5 per class and there is a total of 6 classes until half term which equates to £30 per child. Payment is due up front and to be made by bank transfer. If you would like to register your child then please contact Coach Dave on the number given below. We can have a maximum of 12 children per year group so get in there fast.**

Children will require suitable clothing and footwear depending on the weather, a drink and a snack would be great too. Shin pads and socks are also required. With regards to boots, please note no metal studs if possible, football will be held on the grass.

**Our coaches are DBS checked and FA qualified to give you the parent, piece of mind. Our sessions are fun, motivating and just what your child needs after school to blow off some steam.**

We are so excited and cannot wait to work with your superstars!
