

### Stunning start

Exploring water in our school area.

### Fabulous Finish

- Creating water shakers using natural materials

### Science

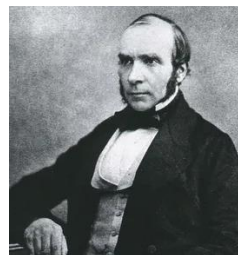

- Labelling parts of a plant
- Planting seeds to observe the stages of growth
- Life Cycles

### Outdoor learning

- Opportunities to use the polytunnel linked to our Science about growing seeds.
- Making water shakers.

### History:

- Supplying water to the home.
- Significant individuals – Dr John Snow – how he traced a cholera infection.

### Personal, Social, Health and Economic (PSHE)

#### **Theme = Citizenship**

Rules, Caring for others, The needs of others,  
Similar, yet different, Belonging.  
Democratic decisions

#### Learning and Life Skills –

Think! Think! Think!

I can use various sources to find information.  
I can express my opinion on what I think is good  
and how things can be improved.  
I can recognise similarities and differences  
between things.

### Maths

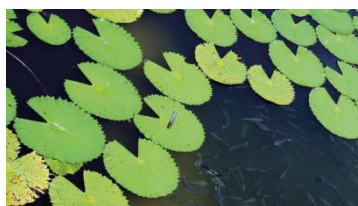

- Counting in 2s, 5s and 10s to 100
- Doubling and halving numbers to 20.
- Number and Place Value
- Finding halves and quarters of objects and amounts.

## Halsford Park Primary School

Year 1 - Summer Term 1

### 'Wonderful Water'

## Why is water precious?

### English

We will continue to develop our writing skills through Curious Quest where we will be focusing on sentence writing, using joining words such as 'and', 'but', 'or' using adjectives and correctly spelling harder to read and spell words.

### Computing

Unit 1.7: Coding

### Art

Looking at the Artist William Morris and using printing to create our own wallpaper.

### Religious Education

Theme –Belonging, Teachers and Leaders

**Key Questions:** Why is it important to say thank you?

### Physical Education
