

## Halsford Park - PE events – Autumn term

### Potential events

#### Festivals

- These events include some skill-based activities with some coaching followed by a game-based situation to apply the learnt skills.
- Aimed at offering the children a chance to try different sports and are ideal for those children who are either new to the sport or have emerging skills.

#### Development

- These events are competition based and so, depending on numbers, will involve either a round robin competition or group stages with play offs for a final position.
- The development competitions are stand alone and do not progress to a further round or a final.

For **festival and development events** rules and format may be adapted depending on variables such as team numbers, weather, playing surface and space, leader/volunteer numbers, participant confidence and competence.

#### Pathway

- These are local competitive inter-school events which may progress to a further round or level of competition.
- Winning school(s) from local cluster events progress to Mid Sussex finals, subsequent winners may go on to represent Mid Sussex at the County Finals and possibly at regional level
